

Data Section: Global Network

Hirata's customer base extends to over 40 countries around the world, including Japan. We have nine global subsidiaries in North America, Europe, Southeast Asia, China, and Taiwan. We can provide quick, flexible response to any inquiries for new business as well as any support, maintenance or upgrade requests. We are capable of providing production systems that meet the requirements and manufacturing philosophies of our customers anywhere in the world. We also have the knowledge necessary to take into account regional issues such as safety and local labor practices.
